Moderna/Pfzier Vial

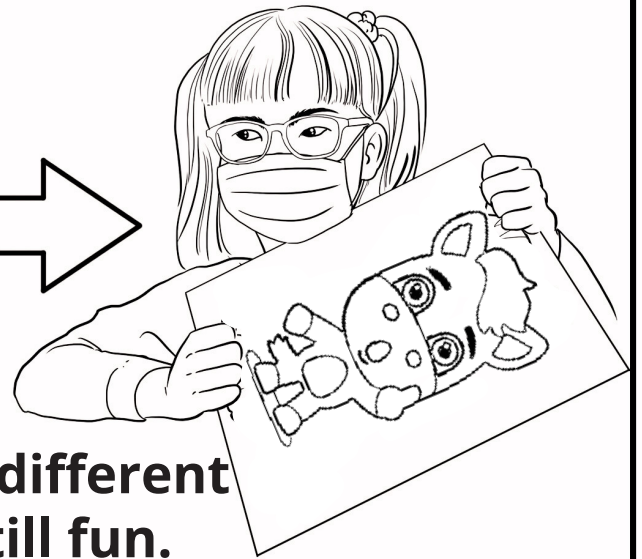

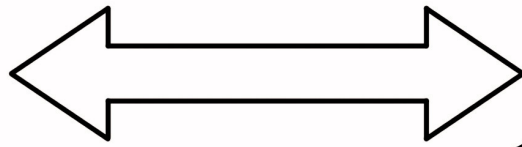

When I go inside, I have to make sure I wash my hands.

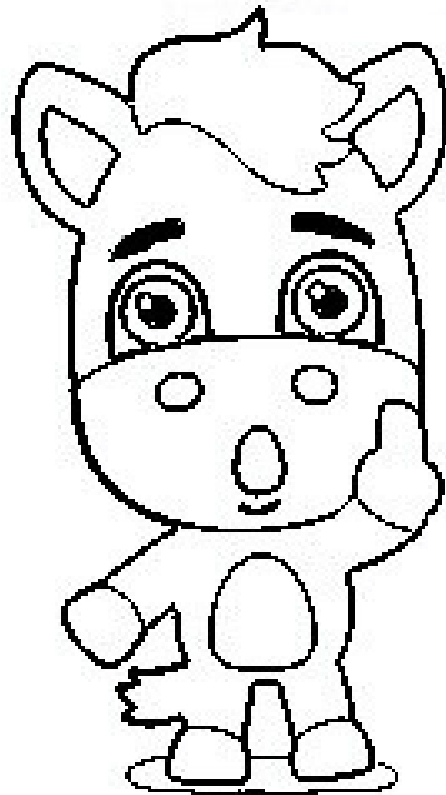

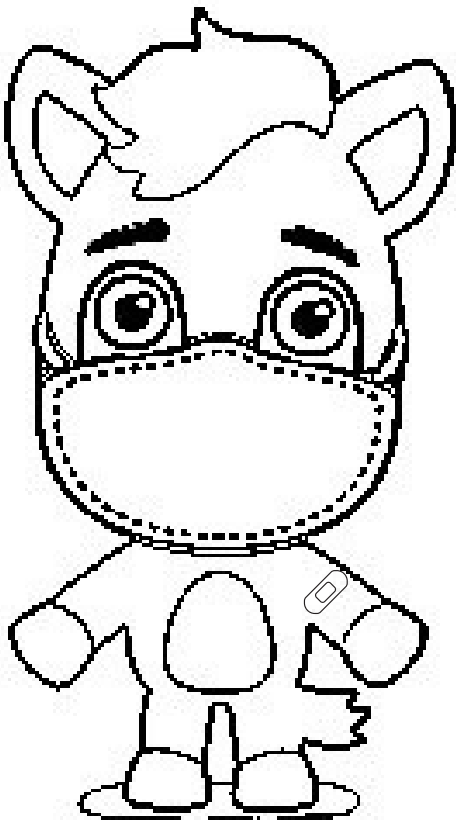

Help the hands find the soap to be germ free

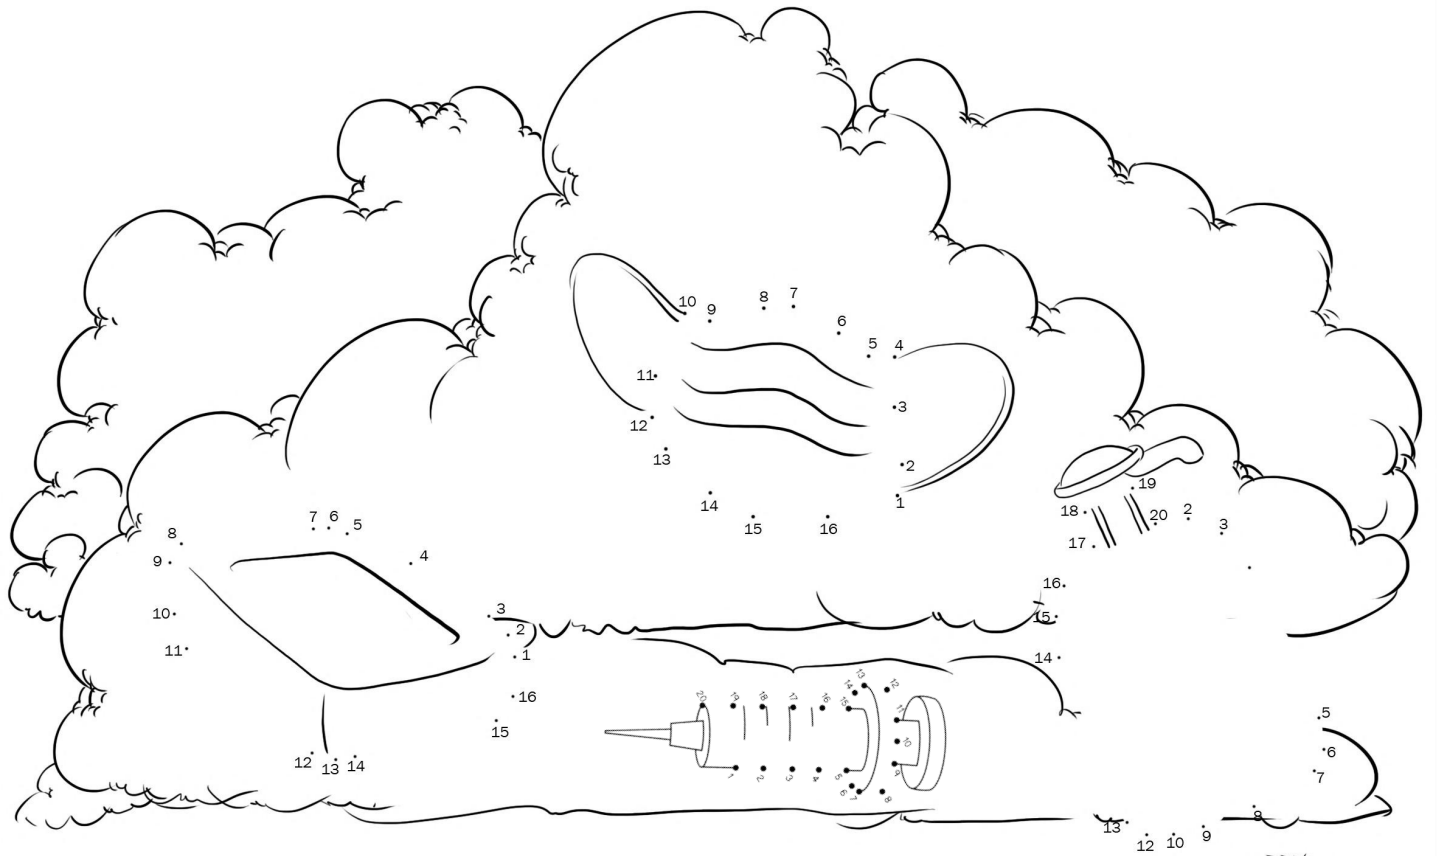

**Learning feels different too, but it's still fun.**

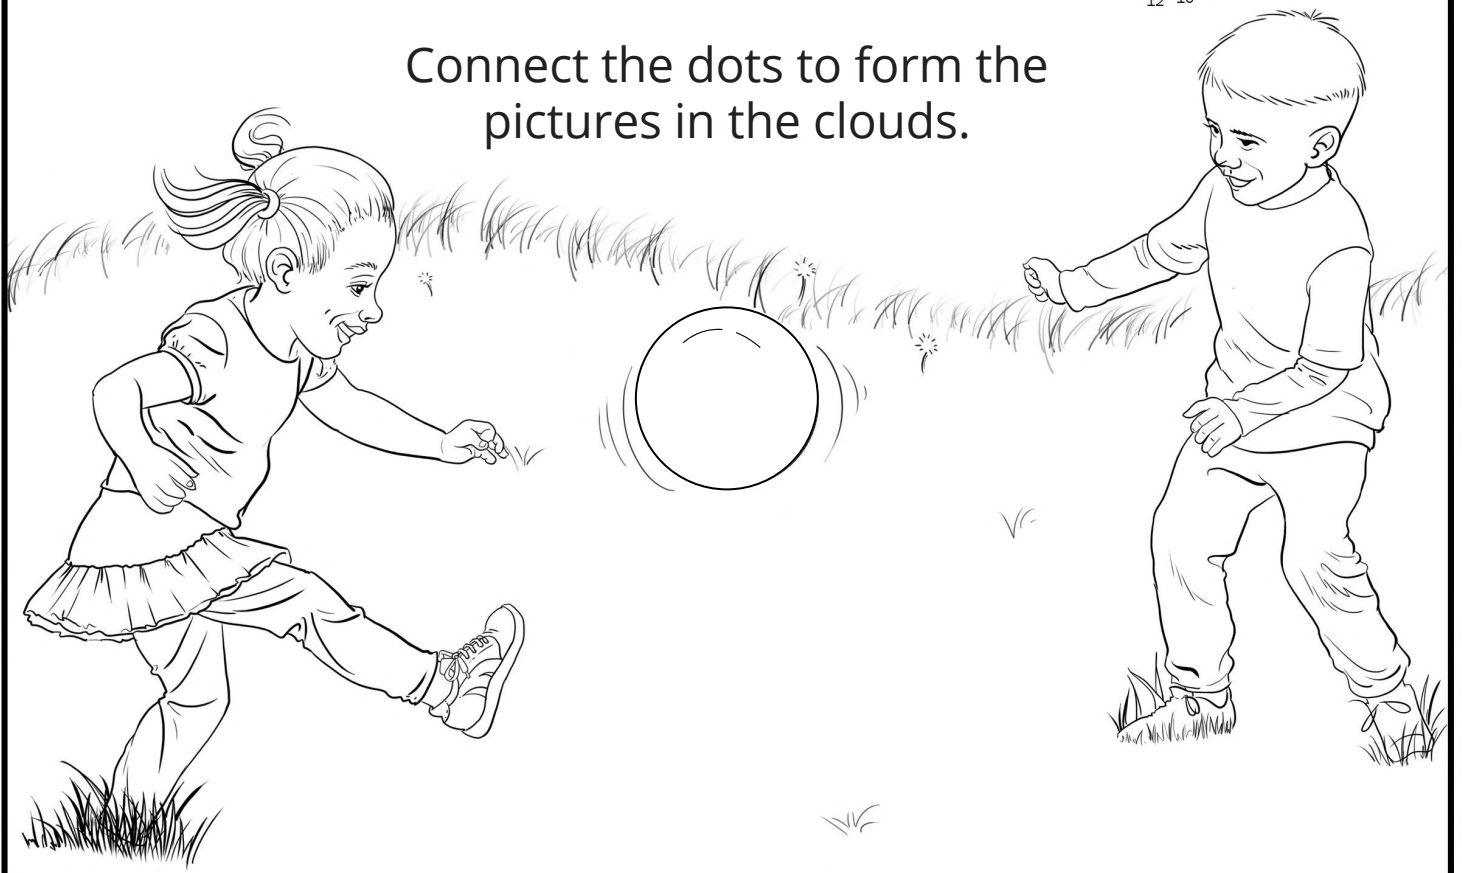

**Find the differences between the pictures**

**When I play with my friends, we have to stay outside and keep a safe distance between us.**

Connect the dots to form the pictures in the clouds.

We miss giving Abuela hugs so we all got vaccinated to see each other...now we are back giving hugs after washing our hands.

**Now we have less people and we encourage our family and friends to be vaccinated like us.**

Color the cake and gifts that the family drops off in your favorite color.

Mom,  
I miss the way  
things used  
to be.

I know, hija,  
but we still have to be careful, wear our  
masks, continue to wash our  
hands, and encourage our family and friends  
to get the bivalent COVID-19 vaccine. If more  
people including children your age get  
vaccinated we'll be able to...

- Learn alongside each other
- Play closeby our friends
- Have big birthday parties.
- Give abuela hugs--any time we want.
